WEIGHT LOSS Drops, Tablets

Homeopathy is very effective against weight loss. The active homeopathic ingredients in our weight loss products helps the body shed weight by improving the metabolic rate and also removing excess water content, Plus it has a regulating effect on the function of the thyroid gland. Regular usage regulates your hunger pattern and aids proper digestion and ingestion. You need to do the rest with low calorie diet and a regular exercise to get the desired results.
Active Ingredients: Phytolacca Berry

Phytolacca Berry - Metabolic Weight reducer

EYE CARE Drops

The wonder plant Senecio Cineraria or dusty miller, with pinnate leaves and yellow flowers releases tension in the muscles of the eyes and prevent tiredness, redness, and other symptoms that cause irritation in the retina. It is indicated for conjunctivitis and blepharitis, incipient opacity of cornea, cataract, dryness etc. Research works and clinical trials have reported 60-80 per cent success in both arresting and curing cataract. Irritates the eyes initially, later cools and soothes.

Cineraria - prophylaxis of cataract

Mamira - contains active alkaloid berberine that acts on ocular muscles and conjunctiva

HAIR LOSS PRODUCTS Drops, Creams, Gel

Normal hair goes through 2-4 year growth cycle then stops growing for 2-4 months before falling out. About 100 hair is shed daily and new hair takes over, this cycle is repeated for over 100000 hair follicles in the scalp. Too much cooked food, stress, extreme weather and hormonal secretion takes a toll on this cycle by creating imbalances. Correct this imbalance with Homeopathic hair loss products.

Lactuca Sativa - Anti-hormonal effects, topical for hair loss

Hypophysis - stabilizes hair growth

Juglans - Blood purifier, essential fatty acids

Kalium Phosphoricum - Well known biochemic cell salt for hair restoration.

Polysorbatum - For topical treatment of premature balding.

Testes - Glandular action.

HAIR COLOR
